

In the Mode of Grace

SPRING 2018
From the
Director
Pastor Al Dagel

Greetings from the growing ministry of GRACEMODE! It has taken a while to get settled in after our wonderful ministry banquet, which has now been an entire month ago. With the banquet and a month long visit from our new Director of GRACEMODE, Asia, Peter Kuruc, it took some time to just feel *almost* caught up. Even now, I feel like I am running behind.

Both Peter's visit and the banquet were full of good connections to people and churches, who now know more about what we do in service to the Lord. The nearly one hundred in attendance were blessed by the winning combination of great food, fellowship, inspiring music, and a look at Peter's ministry in Nepal. For those of you who were with us, thank you for making our evening so special. We are glad that you were there!

Our **P B & J Club** kids did a great job making sure that the tables were set, cared for and cleaned up. The "tip jar" set up for their project netted \$415.00, which will go toward a new orphanage in India, to be under the direction of our friend and partner in ministry, Pastor Prem Raulo.

Other income from tickets and offerings helped keep things going, and for every penny that came in, we are thankful!

While Peter was here, we visited several kids' clubs, church groups and church services, making friends and raising both awareness and funding for the work Peter and the rest of us do, day in and day out. We are so thankful for the exposure, but even more so for the prayers that are now regularly going up on our behalf and on behalf of the children and lost people, to whom we minister.

Peter Kuruc loved Colorado

For several years, Pastor Al has prayed for an Asia Director to help coordinate and serve our interests, especially in Nepal and India. Peter, who is from Slovakia, has become the answer to those hopes and prayers. He lives and ministers in Kathmandu, Nepal, and has agreed to extend his service to the Lord to include our work and projects in his own busy ministry schedule.

During his visit here, Peter fell in love with Colorado and our people! He got to visit Bishop Castle, near Rye, and he enjoyed the food and entertainment at Casa Bonita in Lakewood. He really enjoyed an afternoon of horseback riding, too, but most of what he did here involved telling children and adults all about what God is doing to meet physical and spiritual needs in Kathmandu, where he lives and ministers with his wife, Leena.

Peter's basic needs are already being met by churches and individuals from Slovakia, his home country, but the added ministry and responsibilities are good enough reason for us to consider helping him continue there through our financial and prayer support.

We know you can pray! God knows who can and should give, so we leave that decision in His hands, only asking that He will provide.

- Your ideas...

As **GRACEMODE** continues to gain momentum on the world-wide stage, the needs for ministry tools grows. It has always been our desire to spend "God's money" as efficiently as possible. Since we depend on God's people for our support, we believe it is imperative that you know what our needs and opportunities are. That gives you what you need to respond to the moving of the Holy Spirit, should He put a response on your heart.

There are many ways that helpful giving can be increased without asking you to send more money. These alternative giving ideas are intended to get your creative thinking juices flowing, so your impact on our budget might be strengthened without your personal budget being weakened.

If you have ideas that might help inspire alternative funding sources, would you please share them with us, that we, in turn, can share and inspire others within the body of Christ?

Here you will find just a few ways to increase our financial stability painlessly. Of course, old fashioned donations work, too, but we know how many worthy causes are hoping for full funding. That's why our financial policy will remain constant: *We will ask God - and tell His people.*

If you need information, fliers, or other help in coming up with projects you would like to do to raise awareness and funds, please touch base with us.

It may be possible for us to present the ministry in churches or other gatherings or conferences, even at a distance.

Pray for **Bishnu & Goma**. We have changed their assignment from Jumla to Kathmandu. Goma is pregnant, and must be close to medical care. Peter and Bishnu have been working on strategies for serving and reaching people for Christ. This baby is due in July, and we can't wait to see him or her. Goma needs bed rest until then. This family could sure use your prayers!

Finances are tight, due to extra medical costs, but God is their provider! They are our first GraceMode missionaries in Nepal. With Peter and Leena there, the team will be awesome!

Umesh tells us that 2 of our 14 kids in a village north of Kathmandu have finished their schooling and hope to continue in higher learning. What a joy to see these children getting the education that was almost lost! We are sending school fees for the rest. Pray fir the kids!

Pastor Prem and Sangeeta Raulo, our partners in Odisha, India, continue in church planting, seeing several new believers being baptized and new churches being active in reaching villages. Pray for funding for the orphanage, which must be replaced before the children can return to Pastor Prem's care.

There is a long list of needs, including transportation and funding for several evangelists and churches. The tasks are huge, but God is able.

Please pray!
