

The ministry of GraceMode continues to impact our community and our world. As we look to find how we can better serve our Savior, we strive to be alert to both the Holy Spirit's leading and the needs that are brought to our attention by people living, working, worshiping and serving right next to us.

Will you help us by letting others know about us? There are many ways to share:

- Share this letter after you've read it.
- Listen to Moments of Grace & share on FaceBook.
- Join the Moments of Grace CD Club, listen and pass the CDs on to friends.
- Invite Pastor Al to share the ministry at your church, club, or your home*.
- Have a fund raising yard sale.
- Bring a friend to our banquet!
- * **Host a GraceMode Party!**

Party details are coming soon!

Save the Date...

March 2, 2019

will be the date of our next banquet! See below for details!

God is at work!

Many of you have been following the work of our partners in India, led by my dear friends, Pastor Prem and Sangeeta Raulo, and their fellow pastors and evangelists in the states of Odisha and Andhra Pradesh. Thank you for your prayers!

For the time being, the project of building a new (and very expensive) orphanage has been put on the back burner, mostly due to financial challenges. There is, however, exciting news about the children we were hoping to bless through that project. Pastor Prem and I (Pastor Al) have worked out a plan to put ministry centers in two villages, one in each state, in which we will provide for the very poor children in several ways. This will include school supplies, a teacher, meals, needed clothing and some medical help, as needed. The children will sleep in their own homes, thus making the project possible on a much smaller budget.

We have already begun the funding. We are sending \$1,000.00 per month, plus other funds that may come in for personal support. We will have lots of pictures and great reports soon, especially at our banquet.

PLEASE PRAY!

* It's Party Time!

Watch for upcoming details on how you can host an informational party, aimed at introducing your friends to the ministry of **GRACEMODE**. Your party can be a picnic, a tea, a lunch or any format you like, and we'll provide literature, video information and a means by which your friends can respond as the Lord leads.

The response we seek is much more than "new donors"! We need prayer partners, others to simply tell their friends to check out what we do, volunteers, board members, and much more.

We'll address this more at our banquet, but if you can't be there, we'll certainly be getting everything ready to get into your hands, wherever you live! Remember, **GRACEMODE** is much more than a "Pueblo ministry".

Additionally, Eloise and I may be able to visit your church in your part of the country, if that would be something that could be worked out. We can't be everywhere, but we can sure talk about such opportunities!

Keep telling others that you know of a ministry that needs their prayers!

THANK YOU!

With every passing day, God opens doors of service and ministry for His followers. We strive to be open to His leading, and sometimes we actually get it right! Over the last twelve years, the daily devotional podcast, known as *Moments of Grace*, has been discovered in 115 countries around the globe and has been ranked as highly as #1 overall, and is consistently in the top five of millions.

This part of our ministry is what got GraceMode started, and I am pleased that it is still a vital part of our ministry. It also pleases me that we have branched out into missions, with "feet on the ground" in Nepal and India.

As expenses continue to climb, we are still committed to be serving the Lord without charging for what we are able to provide. Although we gladly accept donations, which enable us to continue to serve and to grow, we leave the fund raising in the hands of the Lord, as we ask Him to provide, and we tell His people what is happening and what the needs are. We never want put pressure on you to give to support this ministry, but we do ask God to touch hearts of His children to help us in this huge task.

With that in mind, please consider joining us for our annual banquet, scheduled for March 2, 2019, at 6 PM.

Special project warms kids up in Jumla, Nepal

Bishnu and Goma are certainly actively seeking the welfare of the children they saw in Jumla. We are awaiting pictures of lots of smiles, as these children and many more in the area will have received warm clothing and, perhaps, some shoes.

They live in the Himalayas in Jumla, Nepal, and they have touched the hearts of our missionaries. I can't tell you yet, but I know we'll hear accounts of how God will use this outreach to touch these children's hearts.

Keep praying!
