

Merry Christmas

The real Gift is Jesus!

from GRACEMODE

Your gifts to GraceMode help us give the gift of new life.

Joyful greetings to our dear friends and family!

God is blessing us, and our prayer is that He will bless you and yours throughout this wonderful season, during which we find wonderful opportunities to share the truth of God's plan for the redemption of mankind!

Here are some updates :

Eloise and I are adjusting to being back in pastoral ministry, now having finished eight months at Liberty Baptist Church in Pueblo. God knew that His timing was perfect, and we could not be happier to be serving here. It has been a challenges to try to spread ourselves over family, GraceMode, and Liberty, but we are starting to sort it out. "Thanksgiving Sunday" brought our largest group for a wonderful service, followed by an awesome meal together. We love how we are beginning to be a real growing family!

We did have our GraceMode banquet, emphasizing ministry to children and helping our missionaries and partners in Nepal, Kenya, and India. Several new friends were made at our banquet, and God is helping us find new ways to both serve and promote the work.

On the personal side, Eloise and I have faced some issues relating to health and transportation. Eloise is about to ditch her cast, after a broken leg slowed her down. She is also about to have her second cataract surgery to finish off the year. The car problems involved the transmission and radiator, which have both been replaced. Whew! (Very expensive, too)

Through it all, God has kept blessing and using us.

Two GRACEMODE pastors

For the last 3 months, it has been a delight, to have **Peter Kuruc** here in Pueblo serving as Grace Community Bible Church's interim pastor. He has done well and learned a lot, and the church family there has received him and Leena very lovingly. Soon they head back to Slovakia, but this may not be the end of this relationship. Pray for guidance for GCBC and for Peter and Leena. **Praise the Lord!**

With Pastor Prem's help, we care for 60 poor and orphaned children in India

Dating back to the Hindu uprising against Christians in 2008, our three orphanages have been dedicated to help children thrive. The children are very poor. Some live in their own homes, but all depend on us for food, education and some of life's necessities. We do our best, and it make a huge difference.

These children also are taught of the love of Christ by th loving evangelists and FAITH Ministries, Odisha, India, organization, and it really shows! *Merry Christmas!*

KENYA

Pastor John Olwanda, GraceMode missionary, now enjoys a new church building and a community well on the church property. This powerful ministry will be our major focus next month!

NEPAL

This year's Christmas project is going to be huge! Bishnu, our missionary in Nepal, is looking at a village in the Himalayas. This village has remained untouched by the Gospel, and between 300 and 400 children are needing jackets to keep themselves warm. Even more, they need Jesus, and Bishnu's plan is to not only gift the children with warm jackets, but to tell them of God's Gift of salvation, beginning with the story of Christmas. With much difficulty, Bishnu and local Christians in Jumla will brave the terrain to make their way to the village and show God's love. We need **Jacket Sponsors** at **\$25.00 per child**, to be sure that every child gets the Gospel and a jacket.
