

# Living in the Mode of Grace

## Transforming Lives

### Fall 2023

Dear friends of GraceMode,

What a flurry of activity we have been experiencing as summer has come to an end and Autumn is already upon us! Eloise and I have been kept busy with church, Bible studies, including Iron Men and Iron Ladies, counseling, and more. Eloise even had to have a toe amputated, due to chronic issues, but that relieved her of constant pain, and is on the list of *blessings!*

My commitment to Liberty Baptist Church has taken a lot of time and energy that otherwise may have been dedicated to the overall GraceMode ministries, but it is worth the time and effort.

Our car needed a new ignition switch, which turned out to be quite a project, but thanks to some of our supporters, the car is back in service, which makes ministry much more efficient.

### NEPAL

For Bishnu and Goma, our missionaries in Nepal, things have been busy, too. As Bishnu works with area churches in the Jumla district, he finds special needs that touch his heart. Last month we were told of a village in the Himalayas that had 127 children in need of school uniforms and more. A plea went out, and now every child has a new school uniform and can finally get back into school. For some, this is the first time to be able to attend school! There were many joyful tears.

John loves the people of Kenya, and it shows in all that he does. He pastors a caring congregation, and he shares his spiritual gifts with others in the region by helping with pastoral training, evangelistic campaigns and preaching and cooperation with other pastors of like faith.

Keeping children in school is a big priority for John. Julia, a 17 year old girl in his church, could not continue in school without a miracle. We prayed, shared, and gave to get her back to school.

THANK YOU!

With the help of another ministry, John brought a well & pump to his church grounds,

providing clean water for the whole village!  
*Praise the Lord!*

You may remember the sewing school that is helping peasant farmers find a new way to thrive. God is still at work in Kenya! *PRAY OFTEN!*

There is much more to tell you!  
We are planning to have an expanded web presence to share more stories and updates. Please feel free to ask for more details or updates, too. We want you to know that we cannot do this without the prayers and financial support of God's people (YOU)!
