

Merry Christmas 2025

Christmas lists

From Pastor Al and Eloise Dagele

**Keeping Jesus first
this Christmas!**

"For unto us a Child is born..." * still speaks to the hearts of those of us who have experienced the truth of Christmas! Many of us grew up with Christmas lights, gifts under trees, Christmas pageants, carols and much more of what lingers in our thoughts, memories, and traditions. Years ago, many noticed that Christmas had become too secular. Lost was the focus on God's gift of His Only Begotten Son to save us from our sins. Many began to urge us to "Keep Christ in Christmas!", mostly instead of the X in "Xmas".

In our GraceMode world, our missionaries often find that those in their home countries and areas of ministry often have *no* memories or even understanding of Christmas. Even the name of Jesus is unspoken and unknown to entire villages or people groups, but that Name and message is, indeed, what must be shared.

For this reason, we would like to make a gentle suggestion to you who are followers of Christ. Christmas is often portrayed as a time of giving, so please consider adding our ministry to your "gift list." You know, of course, that we strive to simply share what is happening in the ministries of GraceMode, especially with our missionaries, without bluntly asking you to give. We do boldly ask for your prayers, but we beg God to provide the needed funds.

I mentioned your gift lists, and I wish to be a little more pointed in my letter today. Please consider the needs listed in this letter, and pray that God will show you how you can help check off some of those needs on our list. Pray, and God *may* direct you to be a part of the answer.

Remember, God is our provider, and we are counting on His provision. He may choose to lead many to check off single items, but He can multiply many small gifts to meet all of our needs! He does that a lot!

May you each remember the Gift God gave you! Merry Christmas from us and our Board of Directors!

Still Transforming Lives

Our Christmas gift list ...

Every year brings both challenges and blessings!

In **India**, our poor and orphaned kids, being cared for by Pastor Prem Raulo and His FAITH Ministries team, depend on what God provides through loving supporters. Each year, Pastor Prem strives to get something special for each child at Christmas time, in addition to their physical needs, school supplies, umbrellas, clothes, and medical help. The results of this ministry to children is phenomenal! The kids are growing to be a powerful part of tomorrow's church! With about 65 children in our care, **#1 on our list** will simply be to continue providing for their needs.** When one child is blessed every month, you can imagine how blessed he or she will be!

#2 on our list! In **Kenya**, Pastor John Olwanda helps as many as ten children with school uniforms, shoes, books and materials and some help with school fees. Without this help, many would not be able to be in school.

#3 on our list! In **Nepal**, Bishnu and his team will reach out to every child in an entire unreached village in Jumla, high in the Himalayas, to provide the gift of a warm jacket. These 300 children will also join the entire village in hearing the Gospel account of what Christmas really is, pointing to the coming of Jesus. This distribution happens just a day or two after Christmas this year, and lives will be transformed. ... **GUARANTEED!**

Each year a new village is reached in this way. Two vibrant churches have already been established, and that is just the tip of the iceberg! (Jackets cost \$30.00 each.)

Your Christmas **PRAYER** list ...

1. **India:** Daily food, clothing, school supplies and needs for the children in the orphanages. **\$30.00 / child.**
 2. **Kenya:** school needs for underprivileged children to stay in school, food, Bibles, loving care and more. **\$30.00 / child**
 3. **Nepal:** One jacket per child and the Gospel for the entire village! (perhaps a brand new church!) **\$30.00 / child**
- Of course, gifts to GraceMode are tax deductible, and every gift makes a huge difference, especially when it is repeated.
