

Living in the Mode of Grace

January 2024

Dear Pastor Al and Elaine Dagel,
We hope this finds you well. We are so blessed with you being a blessing to our kids and us. They all have new school uniforms and school's requirements. I also managed to purchase a backpack for Fave (the tall girl). They are really happy. May God always bless you, GraceMode team USA! Our prayers are always sent your way.

John Otieno Oluwanda

GraceMode Kenya

Transforming lives in Kenya

Because you prayed and gave, these children are able to stay in school, dressed in required uniforms, equipped to learn and thrive! Without our special project response, these children may still be only longing to be in school.

John Oluwanda is also a pastor, trainer and mentor to Christian workers, evangelist and more. Let's hold GraceMode-Kenya up in our prayers and regular giving.

P.S.: John and Esther will soon welcome their 3rd child to their family.

What a year it was in Nepal!

Transforming lives in Nepal

Blessed Christmas project and Gratitude A report by your GraceMode missionary.

In addition to the material gifts, we also took this opportunity to share the love of Christ with the children. We believe that while the jackets and gifts may perish over time, the love of the Lord, once received, will stay with them forever. We hope that, through this project, we have planted seeds of faith that will continue to grow in their hearts.

There's more on the back!

Ready for school!

From the Director - Pastor Al Dagel

God's imprint has been on the ministries of GraceMode throughout 2023, and the new year is promising to be full of opportunities to do more than ever for the cause of Christ. In this letter, we want to share some of what God has done in order to stimulate you to be a bigger part of our GraceMode team.

We need more prayer! You can do that, right? We need you to tell others about this work. You may be the key to unlock doors by simply telling, forwarding, and sharing what you see and hear about this work of God.

We'll try to do our part by keeping you informed by mail, email, our web page, etc., but your help can multiply our efforts many times over as you share with others!

Finally, we'd love to hear from you, too! We welcome your financial support, of course, but we also want to know how we can pray for and rejoice with you!

Dear friends and family,

January 2024

I hope this message finds you well. We are happy to share the success and impact of our recent Christmas Project. Your generosity and support have played a crucial role in making this endeavor a resounding success!

This program aimed to bring joy to the lives of underprivileged children, and we are delighted to report that we successfully reached out to 270 children, including 36 mute students. Each child received the gift of Christmas, symbolizing the spirit of love, joy, and generosity. It was heartwarming to witness the smiles on their faces as they received unexpected (warm jackets) presents. Your contribution played a significant role in making this possible.

Blessed Christmas project and Gratitude

As part of our commitment to ongoing support, our local pastor will be keeping in touch, ensuring that they receive spiritual guidance and support beyond the Christmas season. We ask for this regard, that the children not only cherish the physical gifts, but also experience a lasting connection to the love of Christ.

We humbly request your prayers for those who received these gifts, that their hearts may be open to the love of hope and faith. Please pray that more doors will open for future ministry opportunities, allowing us to positively impact the lives of those in need.

Once again, we express our deepest gratitude for your generosity. Your support has made a significant difference in the lives of these children, and we are truly thankful for your partnership in spreading love and joy during the Christmas season. May you be blessed abundantly for your kindness, and we look forward to your continued support in future endeavors. With heartfelt thanks, Bishnu and Team Nepal

Reaching the lost is a wonderfully challenging task

The ministry in Jumla, Nepal, is an ongoing outreach that continues all year long. Bishnu and his team are often helping local believers hone their communication skills and prepare for the challenges of ministry in a lost and very hostile territory, both in the harsh Himalayan terrain and the political and spiritual atmosphere of a primarily Hindu country. Poverty adds a lot to the battles fought, but God is in this! Earlier in 2020, Team Nepal made sure that a group of 137 children were able to get school uniforms and finally get started in school.

A year ago, the Christmas project reached many children in another village, and a brand new center was built. A previous project led to more help needed and given as Covid tore through the area, causing widespread starvation. Team Nepal again came to the rescue, bringing food to the entire village.

When you consider supporting these GraceMode ministries by praying and giving, please consider making this a monthly commitment. Monthly giving helps in planning and getting the tasks done without delays or hassles. Remember ... Christmas comes around every year!

Meet the Board of Directors:

For the next few newsletters, we have asked the members of our Board of Directors to share their thoughts with us. Today, Olivia DeJong shares her thoughts with us. "Hi, I'm Olivia, my husband Phil and I live and love Colorado, but above and beyond that we are Christians and love Christ. It is our deepest desire to honor Him in all we do. Phil and I have been married for 25 years. Between the two of us we have 7 children, and 9 grandchildren. One of the reasons I joined the GraceMode Board of Directors is because I wanted to make a difference for Christ in something that I did. GraceMode is a good steward of the funds you send. Unlike other organizations that keep a large percentage of the funds for their secretaries, board members, and president, GraceMode is dedicated to sharing as much with the field as possible. That means more of your money goes to impact the people we are directly trying to reach. More souls are being reached, more people are being helped, and more impact is being made. The field is ripe for harvest, but the workers are few. Come along side of GraceMode and help us harvest for the Lord!"
